The deadline for responding is **Wednesday, September 1**, but we hope to hear from you sooner than that!

You now have 32 days to accomplish those things you have been thinking about (trimming down a little, touching up the hair color, etc.) Seriously, we hope that you will come as you are – or as you make plans to be. We just want you to be here!

See attachment to find out where your classmates now live. Check to see if I have accurately recorded your names, addresses, phone numbers and emails. Please let me know if I need to change your information or that of a friend. This database is a work in progress....

We are excited about your coming to be a part of the events that have been planned. We will be watching the mailbox for your response; let us hear from you!

Sincerely, June
